EXECUTIVE SUMMARY

Vision at a Glance

ABOUT US

Glad Tidings 3AM is a ministry devoted to proclaiming truth, as revealed in Revelation 14:6-12, awakening spiritual hunger, and preparing hearts for deeper consecration and readiness for Christ's second coming. We provide Bible based media content and material on prophecy, practical Christian living, health & wellness, family life, and much more. Ultimately, we seek to establish an evangelistic outpost center, where healing, education, and media work together to prepare a people to serve God and bless humanity.

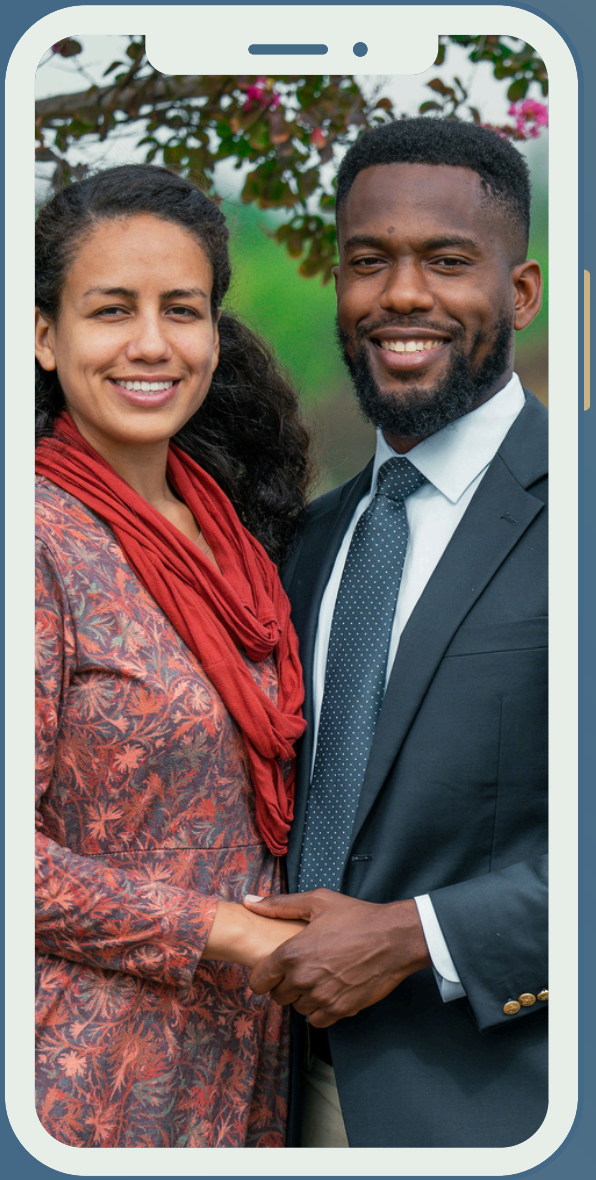

EXPANSION

We are currently in a pivotal season of expansion. With growing reach and increasing demand for content, gatherings, and discipleship, we are seeking strategic financial partnership to establish a strong foundation for long-term ministry impact.

PROPOSAL

This proposal outlines our vision, current initiatives, and funding needs totaling $500,000, designed to sustainably advance the mission of Glad Tidings 3AM.

MINISTRY OFFERING

Blue Print Evangelism

The Gospel Commision has been seriously and strangley neglected in this generation and even amongst those who profess the third angel's message, there is a great lack of that apostolic zeal and fervor that characterized the first professors of the remnant faith.

Glad Tidings 3AM seeks to reimagine what practical evangelism looks like in context of the 3 Angel's Messages by going back to the missionary model introduced during the first generation of this movement, where preaching, teaching, and healing worked together harmoniously.

BLUEPRINT EVANGELISM CONTINUED

For those ignorant or partially attune to the concept of “Outpost Centers”, it is a model of life and ministry that enables persons to effectively minister and to reach those who are lost in this world, while at the same time preparing others to function in the same capacity.

“It is God’s design that our people should locate outside the cities, and from these outposts warn the cities, and raise in them memorials for God. There must be a force of influence in the cities, that the message of warning shall be heard.” {Evangelism, pg. 76.4}

The outpost being located in a rural/country setting outside of the city affords, to a great degree, protection from the contaminating spiritual influences of city life; with its heavy suggestions of fornication, adultery, murder, lying, theft, and a whole host of debasing sins that are eating like a cancer within the social body.

The facilities comprising the outpost are mainly a school for the training of missionary workers, a sanitarium for the treatment of the sick, and a publishing department for the printing of gospel literature. These kindred institutions provide a base by which those staffing and attending them for training, may be able to effectively minister to those needy persons in the city and where ever lost souls are to be found.

INVITATION TO PARTNERSHIP

We are prayerfully seeking a partners who:

- Have a heart for the cause of God

- Desires to see lives changed and transformed mentally, physically, and spiritually

Your support—whether through a one-time investment, ongoing monthly partnership, or strategic sponsorship—will help carry this mission forward in a powerful way.

Glad Tidings 3AM's most pressing financial need is consistent monthly monetary support. We have a small pool of individuals who sustain this work with their sacrificial giving in the form of donations, tithes and offerings, etc. This assistance is enough for us merely to stay afloat but not to sustainably grow. Even if your ability to give to the larger projects is limited, a pledge to give monthly, whether it be $2,000, $4,000, $6,000, etc., will go a long way in ensuring the attainment of our goals and objectives.
