“How beautiful are the feet of them that bring glad tidings” Romans 10:15

“Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.” 2 Thessalonians 2:3, 4

"From the birth of popery to the present time, it is estimated by careful and credible historians, that more than fifty millions of the human family, have been slaughtered for the crime of heresy by popish persecutors,--an average of more than 40,000 religious murders for every year of the existence of popery to the present day. Of course the average number of victims yearly, was vastly greater, during those gloomy ages when popery was in her glory and reigned despot of the world; and it has been much less since the power of the popes has diminished to tyrannize over the nations, and to compel the princes of the earth, by the terrors of excommunication, interdiction, and deposition, to butcher their heretical subjects." (John Dowling, The History of Romanism, pp. 541-542)

“I have repeatedly offered $1000 to any one who can furnish any proof from the Bible that Sunday is the day we are bound to keep...The Bible says, “Remember the Sabbath day to keep it holy,” but the Catholic Church says, “No, keep the first day of the week,” and the whole world bows in obedience.” {Catholic Priest T. Enright, CSSR, lecture at Hartford, KS, Feb 18, 1884}

“Protestant commentators generally are agreed in applying this power and the " little horn " of Daniel seven, to the Roman church which had the civil power in its hands for the " appointed " time. That appointed time was the " time, times, and a half." This was the 1260 prophetic days --- 1260 years — of the civil rule of the little horn, extending from 538 to 1798 A. D. At the latter date the civil power of the little horn was taken away, at the " time appointed." So at that time the people had ceased to " fall " by the hand of that power as they had previously been falling. This year, then,— 1798,— marks the beginning of that period of time in this prophecy called " the time of the end.” {The Great Second Advent Movement: Teach Services Edition pg. 39, 40}
