"If God did not mean to have us study the prophecies, He would not have put them into the Bible.....About one third of the Bible is prophetical..... The return of the Lord to this earth is taught in the New Testament as clearly as any other doctrine in it....Whoever neglects this has only a mutilated gospel.....Yet I was in the church fifteen or sixteen years before I ever heard a sermon on it.....I can see a reason for this; the devil does not want us to see this truth, for nothing would wake up the church so much. The moment a man realizes that Jesus Christ is coming back again to receive His followers to Himself, this world loses its hold upon him." {D.L. Moody, 19th Century American Evangelist and Publisher}

"And now I have told you before it come to pass, that, when it is come to pass, ye might believe." John 14:29

"The first, and the one which marked the opening of that seal, was a great earthquake, shown to be, by comparison with the preceding seals, the great earthquake of Lisbon, Nov. 1, 1755 Between this point and the end of the papal period in 1798, the sun was to be darkened as a sign of the end. ....The sun and moon were darkened together in 1780, eighteen years before the days ended; the stars fell in 1833, thirty-five years after the end of the days. We have reached the year 1897, ninety-nine years this side the ending of the days, and the shaking of the powers of heaven will be completed not far hence, as other prophecies show; and in immediate connection with that, as Joel and John plainly declare, the coming of the Lord is to take place." {Uriah Smith, 19th Century Bible Scholar and Inventor}
